ABOUT ME

Motivated IT student with a strong interest in technology and problem-solving. Eager to apply my knowledge in real-world situations while learning new tools and systems. Quick to adapt, responsible, and willing to learn new skills. Able to work independently and as part of a team, with good communication and time management. Committed to improving my technical abilities and contributing positively to any organization.

WORK EXPERIENCE

2022	Work Immersion (2 Weeks)
Sta Maria Police Station	- Assisted with basic administrative tasks and document handling - Observed office workflows and IT-related operations - Supported staff in organizing and maintaining records
2025	Practicum 1 (320 Hours)
Center Student Success Office	- Encoded and managed student records and documents - Monitored and recorded student behavior and compliance - Processed and issued gatepass for college student exit
